## Beddington park primary school uniform

News STEP response to COVID-19 STEP RESPONSE TO COVID-19 Posted at:20 March 2020 Posted by:r stork Categorized in:news Below More At Chestnut Park Primary School, we believe that uniform gives children a sense of pride in school. It is our policy that all children wear the right school uniform when they attend school, or when they attend a school-organized event, even if they are outside regular school hours. The uniform code for Chestnut Park Primary School has been consulted during the school's consultation period. Any changes, when the school is open, to the school's uniform policy will be made in consultation with the Parent forum. We always take a sensitive approach where regulations of uniform conflict with a child's religious or cultural beliefs. Equality policy recognizes the importance of cultural diversity in this context and stipulates that we do not discriminate on the basis of race, creed or gender. It is the principal and assistant principal's responsibility to ensure that uniform policy is followed and for class teachers to make parents and caregivers aware of any problems with a child's uniform. . Due to health and safety, we do not allow children to wear jewelry at our school. An exception is earing studs in pierced ears. We ask that parents or children remove these under PE and sports teams.
